## Corporate Profile

Universal Health Services, Inc. (UHS) is one of the nation's largest and most respected healthcare management companies, operating through its subsidiaries, behavioral health facilities, acute care hospitals and ambulatory centers throughout the United States, the United Kingdom, Puerto Rico and the U.S. Virgin Islands. UHS was founded in 1978 by Alan B. Miller, Chairman and CEO, and today has more than 81,000 employees. UHS maintains one of the strongest balance sheets and is rated amongst the highest in the hospital services industry by Moody's and Standard & Poor's. This strong capital position has enabled the company to develop and acquire many new facilities over the past few years.

The UHS strategy is to build or purchase healthcare properties in rapidly-growing markets and create a strong franchise based on exceptional service and effective cost control. UHS owes its success to a responsive management style and to a service philosophy that is based on integrity, competence and compassion.

The healthcare industry remains a place of rapid change and uncertainty. But with strength, experience and foresight to chart its own course, UHS has every reason to face the future with optimism.
